On March 25, 2013 Police Officer Joseph Pritchard died in a car accident. He left behind many friends, family, the woman he loved and his unborn child. Joe's family at Midtown South Precinct and the NYPD Finest Football Club hope to raise money to help Bana and the Pritchard Family with the necessary means to provide for the future of Joe's child. Anything you can do to make this fundraiser a success will help his family provide the best care for Joe and Bana's child.
