

NYPD EMERALD SOCIETY

10-13!! RETIRED NYPD MEMBERS NEED ASSISTANCE!! NORTH & SOUTH CAROLINA!

Many of our former NYPD comrades have sustained substantial and, in some cases, devastating damage to their property and homes in North & South Carolina from Hurricane Florence. Two NYPD 10-13 Clubs, the Myrtle Beach, SC and the Wilmington, NC have members that need help from the north. The wrath of Florence and the flooding that came later has caused havoc to our Brothers & Sisters in the Carolinas. The Charlotte NC 10-13 President, Harvey Katowitz is spearheading an effort to assist those in need from the Myrtle Beach and Wilmington Clubs. Those who have suffered significant losses will be provided with much needed assistance. Monetary Donations will be divided equally and sent to the Members identified by the Myrtle Beach & Wilmington 10-13 Clubs.

Donations/Checks can be made out to the NYPD 10-13 Club of Charlotte. Mailed to: Harvey Katowitz
